

## **FISCAL NOTE**

### **HB 4171 - SB 4135**

February 22, 2008

**SUMMARY OF BILL:** Exempts municipalities with a population of less than 3,500 from the prohibition against a municipal court judge holding another office with the municipality and allows city recorders to serve as judge. Exempts municipal court judge in Oliver Springs from continuing education requirements.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease Local Expenditures – Not Significant**

##### Assumptions:

- According to the Municipal Technical Advisory Service (MTAS), local expenditures will decrease by authorizing the municipal court judge to concurrently hold another position, but this decrease will not be significant.
- Oliver Springs currently pays for the municipal court judge to attend two seminars per year. Exempting the judge from continuing education requirements will not have a significant decrease in expenditures.
